

SUPERCHARGE YOUR INVESTIGATIONS TALK TO THOUSANDS OF PEOPLE

Do you need to find a missing person?

Do you need to appeal for crime witnesses?

Do you need to warn people about an emergency? A terrorist incident?

With SOLV you can connect with your community directly and broadcast to smartphones in a controlled geographic area.

People can respond quickly, with meaningful information, in real time.

SAVE TIME IN CRITICAL SITUATIONS

SOLV is easy to use and requires no prior digital skills.

As simple to use as filling in a form.

1. You set up your message using the appropriate template form.

2. SOLV sends your message to the targeted area and audience you have specified.

3. SOLV automatically generates a unique and secure webpage for the public to pass information back to you.

4. You are immediately advised of all responses.

5. All the relevant information is maintained for you to access at any time.
